3.	Registration of Nomination	SH-13
4.	Cancellation or Variation of Nomination	SH-14
5.	Declaration to opt out of Nomination	ISR-13

The above forms can be downloaded from the following web links: <http://charmsindustries.co.in/important-information-for-investors/>

Members holding shares in physical mode are requested to send the duly filled forms i.e., Form ISR-1, Form ISR-2, Form SH-13 or Form ISR-3 and along with requisite documents as mentioned in the respective forms to the address of Bigshare Services Private Limited (RTA).

Compulsory linking of PAN and Aadhaar:

Members are requested to note that in line with SEBI Circular dated March 16, 2023 read with SEBI Circular dated November 3, 2021 and December 14, 2021, RTA will accept only operative PAN (those linked with Aadhar) with effect from June 30, 2023 or such other date as

may be notified by Central Board of Direct Taxes (CBDT). Those folios in which PAN is not linked with Aadhar subsequent to the due date, shall be frozen by the RTA.

Freezing of Folios:

- Further, in line with this Circular, RTAs are required to freeze folios wherein PAN, KYC and nomination is not available on or after October 01, 2023. Any service request in respect of these frozen folios will be undertaken only after the complete details are lodged with the RTA.
- Members may note that with effect from April 01, 2024, the Company will not be able to execute any type of Corporate Action, in respect of frozen folios until the complete details as required including bank account details are furnished to the RTA. Further, from December 31, 2025 or such due date as may be notified by the Authority, the RTA is required to refer the details of the frozen folios to the Administering Authority under the Benami Transactions (Prohibitions) Act, 1988 and / or Prevention of Money Laundering Act, 2002.

In view of the same and to eliminate all risks associated with physical shares and avail various benefits of dematerialization, members are advised to dematerialize the shares held by them in physical form. However, members can continue to hold the shares in physical form.

SEBI vide its notification dated January 24, 2022 has mandated that all requests for transfer of securities including transmission and transposition requests shall be processed only in dematerialized form. In view of the same and to eliminate all risks associated with physical shares and avail various benefits of dematerialization, Members are advised to dematerialize the shares held by them in physical form. Members can contact the Company or Company's Registrar and Share Transfer Agent, M/s. Bigshare Services Pvt. Ltd for assistance in this regard.

Members may please note that SEBI vide its Circular No. SEBI/HO/MIRSD/MIRSD_RTAMB/P/CIR/2022/8 dated January 25, 2022 has mandated the listed companies to issue securities in dematerialized form only while processing service requests, viz. Issue of duplicate securities certificate; renewal/ exchange of securities certificate; endorsement; sub-division/ splitting of securities certificate; consolidation of securities certificates/ folios; transmission and transposition. Further SEBI vide its circular No. SEBI/HO/MIRSD/MIRSD_RTAMB/P/CIR/2022/65 dated May 18, 2022 has simplified the procedure and standardized the format of documents for transmission of securities. Accordingly, members are requested to make service requests by submitting a duly filled and signed Form ISR-4 & ISR-5, as the case may be. The said form can be downloaded from the website of the Company at charmsltd@yahoo.com and RTA at www.bigshareonline.com.

Members holding shares in physical form, in identical order of names, in more than one folio are requested to send to the Company's RTA, the details of such folios together with the share certificates along with the requisite KYC documents for consolidating their holdings in one folio. Requests for consolidation of share certificates shall be processed in dematerialized form.

To prevent fraudulent transactions, members are advised to exercise due diligence and notify the Company of any change in address or demise of any member as soon as possible. Members are also advised to not leave their demat account(s) dormant for long. Periodic statement of holdings should be obtained from the concerned Depository Participant and holdings should be verified from time to time.

As per the provisions of Section 72 of the Act, the facility for making Nomination is available for the Members in respect of the shares held by them. Members who have not yet registered their Nomination are requested to register the same by submitting Form No. SH-13. If a Member desires to opt out or cancel the earlier Nomination and record a fresh Nomination, he / she may submit the same in Form ISR-3 or SH-14 as the case may be. The said forms can be downloaded from the Company's website. Members are requested to submit the said details to their DP in case the shares are held by them in electronic form and to M/s. Bigshare Services Private Limited in case the shares are held in physical form.

SEBI has mandated the submission of PAN by every participant of the securities market. Members holding shares in dematerialised form are, therefore, requested to submit their PAN to their DPs with whom they are maintaining their Demat accounts. Members holding shares in physical form can submit their PAN details to the Company and/or RTA i.e. M/s. Bigshare Services Private Limited

23. Members holding shares in dematerialized form and desirous to change or correct the bank account details should send the same immediately to the concerned Depository Participant. Members are also requested to give MICR Code and IFSC to the Depository Participant.
24. The RTA/ Company shall verify and process the service requests and thereafter issue a "Letter of Confirmation" to the shareholders in lieu of the physical share certificates. The "Letter of Confirmation" shall be valid for 120 days from the date of its issuance within which shareholders of the Company shall make a request to the Depository Participant for dematerializing the said shares. In case the shareholder fails to submit the demat request within the aforesaid period, RTA / Company shall credit the securities to Suspense Escrow Demat Account of the Company.
25. The Register of Directors and Key Managerial Personnel and their shareholding, maintained under Section 170 of the Act, the Register of Contracts or Arrangements in which the Directors are interested, maintained under Section 189 of the Act and the relevant documents

referred to in the notice and the Explanatory Statement will be available, electronically, for inspection by the members during the AGM. All documents referred to in the notice will also be available for inspection from the date of circulation of this notice up to the date of AGM. Members seeking to inspect such documents can send an e-mail to charmsltd@yahoo.com.

- 26.** In all correspondence with the Company, for speedy communication, members are requested to quote their folio no. and in case their shares are held in dematerialised form, they must quote their DP ID and Client ID Number. Members are also requested to mention Contact No. & e-mail ID for faster communication.
- 27.** To support the "Green Initiative" and for receiving all communication (including notice and Annual Report) from the Company electronically:
- (a) Members holding shares in physical mode and who have not registered / updated their email addresses with the Company / RTA are requested to register / update the same by writing to the Company / RTA or by mailing the scanned copy of a signed request letter with details of Folio Number, complete address, email address to be registered and attaching a self-attested copy of the PAN Card at charmsltd@yahoo.com or to the Company's RTA at bssadh@bigshareonline.com.
 - (b) Members holding shares in dematerialized mode are requested to register/ update their email addresses with the relevant Depositories.
- 28. THE PROCEDURE AND INSTRUCTIONS FOR MEMBERS FOR VOTING ELECTRONICALLY ARE AS UNDER:**
- i. The voting period begins on Wednesday, September 27, 2023 at 10.00 A.M. to Friday September 29, 2023 at 5.00 p.m. During this period shareholders of the Company holding shares either in physical form or in dematerialized form, as on the cut-off date Saturday, September 23, 2023 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
 - ii. Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting.
 - iii. In compliance with the provisions of Section 108 of the Companies Act, 2013 read with the Companies (Management and Administration) Rules, 2014 and pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 09, 2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders / retail shareholders is at a negligible level.
Currently, there are multiple e-voting service providers (hereinafter referred as 'ESPs') providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.
In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.
 - iv. Those Members who will be present in the Annual General Meeting physically and have not cast their vote on the Resolutions through remote e-Voting and are otherwise not barred from doing so, shall be eligible to vote at the Annual General Meeting.
 - v. The Members who have casted their vote by remote e-Voting prior to the Annual General Meeting may also attend/ participate in the Annual General Meeting physically but shall not be entitled to cast their vote again.
 - vi. Any person, who acquires shares of the Company and becomes a Member of the Company after sending of the Notice and holds shares as of the cut-off date, may obtain the login ID and password by sending a request at helpdesk.evoting@cdslindia.com by mentioning their demat account number/ folio number, PAN, name and registered address. However, if he/ she is already registered with CDSL for remote e-Voting then he/ she can use his/ her existing User ID and password for casting the vote.
 - vii. A person who has acquired the shares and has become a member of the Company after the dispatch of the Notice of the Annual General Meeting and prior to the Cut-off date i.e. Saturday, September 23, 2023 shall be entitled to exercise his/her vote at the Annual General Meeting.
 - vi. In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. MANAGEMENT DISCUSSIONS AND ANALYSIS REPORT

GLOBAL ECONOMY

Following a turbulent year in 2022, the global economy is seen demonstrating signs of resilience in 2023. The geopolitical tensions caused by the prolonged Russia-Ukraine war, supply chain disruptions, higher inflation, and tighter monetary conditions made it hard to complete the economic recovery in 2022-23. Economic growth remains low by historical standards and financial risks have increased. International trade was also severely impacted in 2022-23 due to global economic slowdown, persistent inflation, supply chain bottlenecks, and subdued consumer sentiments. However, economic conditions have started showing signs of stabilisation in early 2023. The Economic Survey 2022-23 comes when global uncertainties are rife. Barely had the pandemic receded, and the war in Ukraine broke out in February 2022. Prices of food, fuel and fertilizer rose sharply. As inflation rates accelerated, central banks of advanced countries scrambled to respond with monetary policy tightening. Many developing countries, particularly in the South Asian region, faced severe economic stress as the combination of weaker currencies, higher import prices, the rising cost of living and a stronger dollar, making debt servicing more expensive, proved too much to handle.

INDIAN ECONOMY

For India, 2022 was special. It marked the 75th year of India's Independence. India became the world's fifth largest economy, measured in current dollars. Come March, the nominal GDP of India will be around US\$ 3.5 trillion. In real terms, the economy is expected to grow at 7.8 percent for the year ending March 2023. This follows an 8.7 per cent growth in the previous financial year. The rise in consumer prices has slowed considerably. The annual rate of inflation is below 6 per cent. Wholesale prices are rising at a rate below 5 per cent. The export of goods and services in the first nine months of the financial year (April – December) is up 16 per cent compared to the same period in 2021-22. Although the high oil price this year compared to last inflated India's import bill and caused the merchandise trade deficit to balloon, concerns over the current account deficit and its financing have ebbed as the year rolled on. Foreign exchange reserve levels are comfortable and external debt is low.

India's foreign exchange reserves, which were at an all-time high at USD 645 billion in October 2021 have declined to 471.496 billion in October 2022. This is because of the appreciation of the dollar, the RBI selling dollars to protect the rupee from depreciating too much and the higher prices the country has to pay for imports of oil, gas and other goods and services. The large reduction in India's foreign exchange reserves is a cause for concern and can affect the economy.

India is contributing more than 12% to global growth on average during the last five years. This makes India among the fastest-growing major economies in the world.

The Indian economy is expected to have recorded a growth of 7% in real GDP in 2022-23. This can be accredited to strong global headwinds.

The slew of measures announced by Reserve Bank of India (RBI) to enhance foreign exchange inflows should help rupee to outperform its peers in emerging market economies, experts said. RBI said it has been closely and continuously monitoring the liquidity conditions in the forex market and has stepped in as needed in all its segments to alleviate dollar tightness with the objective of ensuring orderly market functioning. It announced five measures to enhance foreign exchange inflows. The Indian rupee depreciated by 36 paise to close at a three-week low of 81.88 against the US dollar after the Economic Survey 2022-23.

After COVID-19 was delivered an enormous global shock, leading to steep recessions in many countries. Many countries have provided large-scale macro-economic support to alleviate the economic blow, which has contributed to a recent stabilization in financial markets. Central banks in advanced economies have cut policy rates and taken other far-reaching steps to provide liquidity and to maintain investor confidence. Stronger multilateral cooperation and a more balanced policy mix at the national level, considering available monetary and fiscal space, are essential for strengthening economic activity and forestalling downside risks. Building financial resilience, strengthening growth potential, and enhancing inclusiveness remain overarching goals.

COMPANY BUSINESS:

The Company is a RBI registered Full Fledge Money Changer.

In money changing, the Company provides an array of products and services including buying and selling of foreign currency notes, servicing of co-branded International prepaid multicurrency travel cards, issuance of foreign currency demand drafts, travelers' cheques and outward telegraphic remittances, including outbound remittances towards student fees, film shoots, tour remittances etc. and also extend encasements of foreign currency demand drafts, travelers' cheques and forex prepaid cards.

OUTLOOK, OPPORTUNITIES AND THREATS:

Every year sees global currencies jostle for position, although lately it has been a race to the bottom, with more than 30 central banks around the world cutting interest rates in a desperate bid to avoid falling into recession.

Low interest rates typically mean a weak currency, as investors can get a better return on their money elsewhere.

The Government of India's initiatives in boosting up its public expenditure on Infrastructure development will give an impetus to its "MAKE IN INDIA" policy. India is being the most sought after Investment destination for many Investors world over. Hence, this augurs well for the Company business as there will be inflow of Capital Investment giving a boost to Company's Money changing business.

Also surge in growth of travel and hotel industry shall lead to betterment of company's operations and the company is looking forward for the same.

Further, the comparative slower growth globally as compared to Asian Countries coupled with the challenges faced through the advancement of the world digital economy and India too encouraging digitization, the Company's management though expects new challenges, it does not foresee any immediate threat to its core business activities and in fact its efforts are being channelized to seize the newer methodologies to counter the challenges faced.

RISKS AND CONCERNS:

Company has laid down a detailed risk management policy, customer identification and acceptance procedure. The financial risks involved are evaluated through a well laid down procedure. However, all the inherent business risks are adequately insured by the Company. Exchange rate volatility is not only faced by the Company but is attuned to the forex industry globally. To mitigate the said risks Company closely monitors the exchange rate movement.

INTERNAL CONTROL SYSTEM:

The Company has already put in place an elaborate Internal Control and Internal Audit systems. The system ensures adequate periodical checks and balances are exercised. Continuous monitoring by the Internal Audit team of these checks and balances due to the inherent risks associated with the nature of Company's activities ensures compliance of the regulatory framework of RBI & FIU. The Audit team is suitably guided and updated by the Audit Committee of the various regulatory requirements from time to time. The Company has put in place a strict credit policy for extending credit to its corporate customers. The same is continuously monitored and reviewed periodically for any updations to ensure funds at Company's disposal are being judiciously utilized and efficiently managed vis-à-vis the business requirements. The Management Discussion and Analysis explaining the objectives of the Company, the opportunities and threats, the outlook for the future, the risks and concerns have to be read with the meaning of relevant applicable laws and regulations. The actual above. As in any other business the performance of the Company is totally dependent on the market conditions of demand and supply, the volatility in exchange rate, the Government policy & regulations, the economy of the country and other factors.

INDEPENDENT AUDITORS' REPORT

To the Members of

CHARMS INDUSTRIES LIMITED

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of **Charms Industries Limited** ("the Company") which comprise the Balance Sheet as at March 31, 2023 and the Statement of Profit and Loss (including the Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as the "financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards ("Ind AS") prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, the loss and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing ("SA's") specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the financial statement.

Other information

The Company's Management and Board of Directors are responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that if there is a material misstatement of this other information, we are required to communicate the matter to those charged with governance and take necessary actions, as applicable under the relevant laws and regulations.

Management's and Board of Directors' Responsibilities for the Financial Statements

The Company's Management and Board of Directors are responsible for the matters stated in Section 134(5) of the Companies Act, 2013 with respect to the preparation of these financial statements that give a true and fair view of the state of affairs, profit/loss and other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management and Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for

one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management and Board of Directors.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of

Section 143(11) of the Act, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

ANNEXURE-B TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 2(A)(f)] under the heading of "Report on Other Legal and Regulatory Requirements" of our report of even date.)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

Opinion

We have audited the Internal Financial Controls over financial reporting of **Charms Industries Limited** ("the Company") as of March 31, 2023 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

The Company's management and Board of Directors are responsible for establishing and maintaining Internal Financial Controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Management's and Board of Directors' Responsibility for Internal Financial Controls

The Company's management and Board of Directors are responsible for establishing and maintaining Internal Financial Controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2023

COMPANY OVERVIEW & SIGNIFICANT ACCOUNTING POLICIES

1. REPORTING ENTITY

Charms Industries Limited (the 'Company') is a Company domiciled in India, with its registered office situated at 108/8-109, Sampada Complex, Mithakhali six roads, Opp. Harekrishna Complex, Ahmedabad - 380009, Gujarat. The Company has been incorporated under the provisions of Companies Act, 2013. The Company is primarily involved in Money Changer activity. The company has been registered as a Money Changer with the Reserve Bank of India.

2. BASIS OF PREPARATION

a. Statement of compliance with Ind AS

These financial statements are prepared in accordance with Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) (Amendment) Rules, 2016 notified under Section 133 of Companies Act, 2013 (the 'Act') and other relevant provisions of the Act. The Company has adopted all the relevant Ind AS and the adoption was carried out in accordance with Ind AS 101, "First Time Adoption of Indian Accounting Standards". The transition was carried out from Indian Accounting Principles generally accepted in India as prescribed under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (IGAAP), which was the previous GAAP.

b. Functional and presentation currency

These financial statements are presented in Indian Rupees (INR), which is also the functional currency.

Basis of Measurement

The financial statements have been prepared on the historical cost basis.

c. Use of Estimates and Judgments:

In preparing these financial statements, management has made judgements, estimates, and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, incomes and expenses. Actual results may differ from these estimates.

Estimates:

Estimates and underlying assumptions are reviewed on an ongoing basis. They are based on historical experience and other factors including expectations of future events that may have a financial impact on the Company and that are believed to be reasonable under the circumstances. Revisions to the accounting estimates are recognised prospectively.

Judgements:

Information about judgements made in applying accounting policies that have the most significant effects on the amounts recognized in the financial statements is included in the respective note.

Assumptions and Estimation Uncertainties:

Information about assumptions and estimation uncertainties that have a significant risk of resulting in a material adjustment within the next financial year are included in the respective note.

d. Measurement of Fair Values:

The Company has established control framework with respect to the measurement of

Fair values. The Company regularly reviews significant unobservable inputs and valuation adjustments. If third party information, such as broker quotes or pricing services, is used to measure fair values, then the Company assesses the evidence obtained from the third parties to support the conclusion that these valuations meet the requirements of Ind AS, including the level in fair value hierarchy in which the valuations should be classified.

Significant valuation issues are reported to the Company's Board of Directors.

Fair values are categorized into different levels in a fair value hierarchy based on the inputs used in the

Level 1 - quoted (unadjusted) market prices in active markets for identical assets or liabilities.

Level 2 - inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3 - inputs for the asset or liability that are not based on observable market data (unobservable inputs).

When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorized in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

Further information about the assumptions made in measuring fair values is included in the respective note.

3. SIGNIFICANT ACCOUNTING POLICIES

1. Financial Instruments

A. Financial Assets:

i.) Classification:

The Company classifies its financial assets in the following measurement categories:

- Those measured at amortized cost
- Those to be measured subsequently at either 'Fair value through other comprehensive income' (FVTOCI) or 'Fair value through profit or loss' (FVTPL).

The classification depends on the Company's business model for managing the financial assets and the contractual terms of the cash flows.

- A financial asset is measured at amortized cost if it meets both of the following conditions and is not designated as at FVTPL :
 - the asset is held within a business model whose objective is to hold assets to collect contractual cash flows; and
 - the contractual terms of a financial asset give rise on specified dates to cash flows that are solely payments of Principal and interest on the principal amount outstanding.
- A debt investment is measured at FVOCI if it meets both following conditions and is not designated as at FVTPL:
 - the asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets; and
 - the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.
- Financial assets are not reclassified subsequent to their initial recognition except if and in the period the Company changes its business model for managing financial assets.

ii.) Measurement

At initial recognition, the Company measures a financial asset when it becomes a party to the contractual provisions of the instruments and measures at its fair value. Transaction costs are incremental costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in profit or loss.

Subsequent Measurement and Gains and Losses

Financial assets at FVTPL	These assets are subsequently measured at fair value. Net gains including any interest or dividend income, are recognized in profit or loss.
Financial assets at amortized cost	These assets are subsequently measured at amortized cost using the effective interest method. The amortized cost is reduced by impairment losses. Interest income, foreign exchange gains and losses and impairment are recognized in profit or loss. Any gain or loss on de-recognition is recognized in profit or loss.

iii.) De-recognition

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset.

If the Company enters into transactions whereby it transfers assets recognised on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognized.

B. Financial Liabilities:

(i) Classification, Subsequent Measurement and Gains and losses

Financial liabilities are classified as measured at Historical cost. Government of Gujarat, in capacity of the Promoter of the company, provides investment funds in form of interest free loans having specific directions to invest in equity shares of Group

Entities of the company in terms of CIC directions. Investment funds, released as loan by GoG, when received for investment in equity are recognized as financial liabilities. There exist an obligation, however, the terms and conditions do not specify that whether the loan is repayable on demand and also fixed repayment schedule is not specified. Considering the said fact it is not possible to value such financial liability at amortized cost.

ii) De-recognition

The Company derecognizes a financial liability when its contractual obligations are discharged or cancelled, or expire.

The Company also derecognizes a financial liability when its terms are modified and the cash flows under the modified terms are substantially different. In this case, a new financial liability based on the modified terms is recognized at fair value. The difference between the carrying amount of the financial liability extinguished and the new financial liability with modified terms is recognised in the profit or loss.

C. Offsetting

Financial assets and financial liabilities are offset and the net amount presented in the Balance Sheet when, and only when, the Company currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realize the asset and settle the liability simultaneously.

D. Investments in Associates and Subsidiaries

Investments in associates is carried at cost in the separate financial statements. Subsidiaries are valued at Fair Value.

2. Property, Plant and Equipment

i. Recognition and Measurement

Items of property, plant and equipment are measured at cost, which includes capitalized borrowing costs, less accumulated depreciation, and accumulated impairment losses, if any.

Cost of an item of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates, any directly attributable cost of bringing the item to its working condition for its intended use and estimated costs of dismantling and removing the item and restoring the site on which it is located.

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.

Useful lives have been determined in accordance with Schedule II to the Companies Act, 2013. The residual values are not more than 5% of the original cost of the asset.

Any gain or loss on disposal of an item of property, plant and equipment is recognised in profit or loss.

ii. Subsequent Expenditure

Subsequent expenditure is capitalized only if it is probable that the future economic benefits associated with the expenditure will flow to the Company.

iii. Depreciation

Depreciation is calculated on cost of items of property, plant and equipment less their estimated residual values over their estimated useful lives using the written down value method and is recognised in the statement of profit and loss.

Depreciation method, useful lives and residual values are reviewed at each financial year-end and adjusted if appropriate. Based on technical evaluation and consequent advice, the management believes that its estimates of useful lives best represent the period over which management expects to use these assets.

Depreciation on additions (disposals) is provided on a pro-rata basis i.e. from (up to) the date on which asset is ready for use (disposed of).

iv. Derecognition

An item of Property, Plant and Equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of assets.

3. Impairment

i. Impairment of Financial Assets

In accordance with Ind AS 109, the Company uses 'Expected Credit Loss' (ECL) model, for valuating impairment of financial assets other than those measured at fair value through profit and loss (FVTPL). At each reporting date, the Company assesses whether financial assets carried at amortized cost are credit impaired. A financial asset is 'credit-impaired' when one or more events that have a detrimental impact on the estimated future cash flows of the financial asset have occurred.

Measurement of Expected Credit Losses

The 12-months expected credit losses (expected credit losses that result from those default events on the financial instrument that are possible within 12 months after the reporting date); or

Full lifetime expected credit losses (expected credit losses that result from all possible default events over the life of the financial instrument)

Loss allowances for financial assets measured at amortized cost are deducted from the gross carrying amount of the assets.

ii. Impairment of Non-Financial Assets

The Company's non-financial assets are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated.

An impairment loss is recognised if the carrying amount of an asset exceeds its estimated recoverable amount. Impairment losses are recognised in the Statement of Profit and Loss.

In respect of assets for which impairment loss has been recognized in prior periods, the Company reviews at each reporting date whether there is any indication that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. Such a reversal is made only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortization, if no impairment loss had been recognised.

4. Employee Benefits**i. Short Term Employee Benefits**

Short-term employee benefit obligations are measured on an undiscounted basis and are expensed as the related service is provided.

ii. Defined Contribution Plan

A defined contribution plan is a post-employment benefit plan under which an entity pays fixed contributions in to a separate entity and will have no legal or constructive obligation to pay further amounts. The Company makes specified monthly contributions towards Government administered provident fund scheme. Obligations for contributions to defined contribution plans are recognized as an employee benefit expense in profit or loss in the periods during which the related services are rendered by employees.

Prepaid contributions are recognized as an asset to the extent that a cash refund or a reduction in future payments is available.

iii. Defined Benefit Plan

A defined benefit plan is a post-employment benefit plan other than a defined contribution plan. The Company's net obligation in respect of defined benefit plans is calculated separately for each plan by estimating the amount of future benefit that employees have earned in the current and prior periods, discounting that amount using market yields at the end of reporting period on government bonds.

The calculation of defined benefit obligation is performed annually by a qualified actuary using the projected unit credit method. When the calculation results in a potential asset for the Company, the recognized asset is limited to the present value of economic benefits available in the form of any future refunds from the plan or reductions in future contributions to the plan ('the Asset Ceiling'). In order to calculate the present value of economic benefits, consideration is given to any minimum funding requirements.

When the benefits of a plan are changed or when a plan is curtailed, the resulting change in benefit that relates to past service ('past service cost' or 'past service gain') or the gain or loss on curtailment is recognized immediately in profit or loss. The Company recognizes gains and losses on the settlement of a defined benefit plan when the settlement occurs.

Re-measurement of defined benefit plans in respect of post-employment are charged to the Other Comprehensive Income.

5. Provisions (other than Employee Benefits), Contingent Liabilities and Contingent Assets

A provision is recognized when the Company has a present legal obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which reliable estimate can be made. Provisions are determined based on best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates. Contingent liabilities are not recognized but are disclosed in the notes to the financial statements. A contingent asset is neither recognized nor disclosed if inflow of economic benefit is probable.

6. Recognition of Dividend Income, Interest Income

Income from dividend is accounted as and when such dividend has been declared and the company's right to receive payment is established.

Interest income is recognized on a time proportion basis, taking in the account the amount outstanding and the rate applicable.

7. Income Tax

Income tax comprises current and deferred tax. It is recognized in profit or loss except to the extent that it relates to a business combination or to an item recognised directly in equity or in other comprehensive income.

(i) Current Tax

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax reflects the best estimate of the tax amount expected to be paid or received after considering the uncertainty, if any, related to income taxes. It is measured using tax rates (and tax laws) enacted or substantively enacted by the reporting date. Current tax assets and current tax liabilities are offset only if there is a legally enforceable right to setoff the recognized amounts, and it is intended to realize the asset and settle the liability on a net basis or simultaneously.

(ii) Deferred Tax

Deferred tax is recognized in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes.

Deferred tax assets are recognized to the extent that it is probable that future taxable profits will be available against which they can be used.

Deferred tax is measured at the tax rates that are expected to apply to the period when the asset is realized or the liability is settled, based on the laws that have been enacted or substantively enacted by the reporting date.

The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Company expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets and liabilities are offset only if there is a legally enforceable right to offset current tax liabilities and assets, and they relate to income taxes levied by the same tax authority on the same taxable entity, or on different taxable entities, but they intend to settle current tax liabilities and assets on net basis or their tax assets and liabilities will be realized simultaneously.

8. Cash and Cash Equivalents

Cash and cash equivalents include cash and cheques in hand, bank balances, demand deposits with banks and other short term highly liquid Investments that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value where original maturity is three months or less.

9. Earnings per Share

Basic earnings per share is calculated by dividing the net profit after tax for the year attributable to equity share holders of the Company by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is calculated by dividing net profit attributable to equity share holders (after adjustment for diluted earnings) by average number of weighted equity shares outstanding during the year plus potential equity shares.

10. Cash Flow Statement

Cash flows are reported using the indirect method where by the profit before tax is adjusted for the effect of the transactions of a non-cash nature, any deferrals or accruals of past and future operating cash receipts or payments and items of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

NOTE - 23**(A) Financial Risk Management Objectives and Policies**

The Company's principal financial liabilities, comprise loans and borrowings and trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include trade and other receivables and cash and cash equivalents that derive directly from its operations.

The Company is exposed to market risk, credit risk and liquidity risk. The Company's senior management oversees the management of these risks and ensures that Company's financial risks are identified, measured and governed in accordance with the Company's policies and risk objectives. The Board of Directors reviews and agrees policies for managing each of these risks which are summarized below.

(i) Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk that affects the Company comprises of one element: Interest rate risk. Financial instruments affected by market risk include loans, borrowings and deposits.

Interest Rate Risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to short term debt obligations with fixed interest rates.

(ii) Credit Risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract leading to a financial loss. The Company is exposed to credit risk from its operating activities and from its financing activities including deposits with banks and other financial instruments.

Trade Receivables

Customer credit risk is managed by the Company's policy, procedures and control relating to customer credit risk management. Credit quality of a customer is assessed based on an extensive credit rating and individual credit limits are defined in accordance with this assessment. Outstanding customer receivables are regularly monitored. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial asset disclosed in respective note. The Company does not hold collateral as security.

Cash deposits

Credit risk from balances with banks is managed by the Company in accordance with its policies. These policies are set to minimize concentration of risks and therefore mitigate financial loss through counterparty's potential failure to make payments.

(iii) Liquidity Risk

The Company manages its liquidity risk by using liquidity planning and balancing funds requirement vis-a-vis funds available. Various lines of credit available are used to optimize funding cost and ensuring that adequate funds are available for business operations.

(B) Capital Risk Management

The Company's objectives when managing capital are to:

- safeguard their ability to continue as a going concern so that they can continue to provide return for shareholders and benefits for other stakeholders.
- maintain an optimal capital structure to reduce the cost of capital.

The Company monitors capital on the basis of the following debt equity ratio
